Accessibility for wheelchair users - School plans marked to show ramp access, floor level access & disabled toilets.	Astro Centre / Reception	None	N/A
	Sports Hall	None	N/A
	Netball Courts	The yellow painted lines on the stairs to the netball courts are faded from use.	Lines to be re-painted.
	English Block	No accessible toilet in the staff or girls' toilets (no current need for this provision – to be reviewed as necessary).  A path has been resurfaced leading to the block which is an improvement, but there is a noticeable difference in height where it meets the path outside the block.  The path around the block is quite narrow for wheelchair use.  The yellow painted lines on the stairs to the English block are faded from use.	Fittings have been made to one of the boys toilets (handle & pull down bar) so this can be used by boys with mobility issues. The nearest accessible toilet is in the Performing Arts / Maths block.
			Requested this be filled to remove the risk of a wheelchair catching.
