

PUPIL PREMIUM REPORT

What is the Pupil Premium?

- The Pupil Premium Grant (PPG) is the name of the funding given directly to schools to support students who receive free school meals, who are in public care or young people whose parents are in the armed forces.
- At Bridlington School we refer to these students as the Pupil Premium (PP) Cohort.
- The total PPG includes, pupil premium, service children, catch up premium to support students whose literacy and numeracy skills are below average at the end of Year 6 and any monies received for LAC (Looked after) students.
- This statement covers academic years 2018/19 – 2020/21. It was last reviewed in October 2019 and will be reviewed again in October 2020.

	2018 / 2019	2019/20
Number of pupils and Pupil Premium Grant received		
Funding to support Pupil Premium students	£377,740	£389,895
Funding to support Service students	£2,700	£2,100
Funding to support Year 7 'Catch Up' interventions	£18,682	£18,000 (est – due Feb 20)
Funding to support LAC students	£10,812	£6,354
Total amount of Pupil Premium Grant received (PPG)	£409,934	£416,349
Total number of pupils on roll	931 (Oct 18)	951 (Oct 19)
Percentage of students eligible for Pupil Premium Support	46%	46%
Total number of students who can access the PPG	429	440
Number of Pupil Premium	404	417
Number of Service Premium	9	7
Number of LAC	16	16
Performance of PP cohort at end of KS4		
Attainment 8	35.9	TBC Aug 20
Progress 8	(18/19 National PP -0.45) -0.17	TBC Aug 20

Core aim

Our core aim is to raise the attainment and progress of pupils eligible for pupil premium funding so that their performance compares favorably with Non-Pupil Premium peers nationally.

The PP Strategy for academic years 2018/19 – 2020/21 aims to address inequalities in the education of pupils from low-income families and raise the attainment of these pupils. This remains a consistent and relentless focus. In addition to this, targeted intervention and support strategies are deployed in order to:

- improve levels of attainment and progress;
- close attainment gaps relative to national averages (including PP vs Non PP);
- enhance reading, writing, mathematics and communication skills;
- engage and develop learning through a comprehensive extra-curricular provision;
- subsidise enriching experiences that PP cohort might otherwise miss;
- have a clear focus on all of the PP cohort, including those with SEND and more able pupils and support pupils in becoming aspirational, confident and successful learners
- reduce absence of PP cohort especially persistent absence

PUPIL PREMIUM REPORT

We believe that outstanding teaching and learning is paramount to the progress of pupils from disadvantaged backgrounds. This remains a consistent and relentless focus. In addition to this, targeted intervention and support strategies are deployed in order to:

Analysis of barriers to learning for our premium and catch up-cohorts

- Poor attendance
- Poor Literacy and Numeracy Skills
- High Fixed Term Exclusions
- Complex Social Issues – dysfunctional home lives
- Lack of ability to / understanding of how to support educational progress from parents / carers.

PUPIL PREMIUM REPORT

PPG Statement for Previous Year 2018 - 2019			
Barriers to learning summary	PPG spend (£409,934)	How the PPG was spent	Impact
Intervention and support for literacy and numeracy	£34,407	Intervention small groups Lexia Reading programme, Accelerated Reader Blackwell Spelling Numeracy Ninja Literacy and Numeracy Co-Ordinator Y7 Catch Up to get Year 7 to expected standard Sisra Analytics	<ul style="list-style-type: none"> The percentage of PP cohort achieving both English and Maths at grades 9-4 in Year 11 was 39% compared to a national like for like figure for PP of 44%. Attainment of students in the English element are in line with the national PP performance. School PP attainment in the English element was 8.09 compared to a national PP figure of 8.09. Progress of PP students is above progress of PP students nationally in all elements. English PP student Progress 8 score is -0.14 compared to a national PP progress 8 score of -0.44. In maths the PP comparison is -0.07 school vs -0.39 national Year 7 catch up numeracy ninja intervention started with students achieving an average point score of 19.5 and finished the cycle with an average score of 22.8 making a 3.3 average point gain for the full year compared to 1.7 in 17/18. Year 7 literacy catch up intervention achieved average progress of 15 months per student in reading age compared to 11 months in 17/18.
Intervention and support for behaviour, attendance and pupil well-being	£184,470	Specialist behaviour interventions Attendance officer & incentives Pastoral Manager support and Positive Discipline rewards Alternative provision	<ul style="list-style-type: none"> Attendance for the PP cohort shows the gap between school PP and national PP attendance is narrowing compared to 17/18 for absence (narrowed by 0.9%) and persistent absence (narrowed by 0.8%). Lower than national average for the percentage of the PP cohort (Ever 6) receiving one or more than one Fixed Term Exclusion (FTE). One or more Fixed Term exclusion was 7.49% compared to National Average of 10.24%. Similarly 4.11% of students received more than one FTE % compared to National Average of 4.75%. (Note validated data is from 2017/18) Seven (4 in KS4 3 in KS3 - £30K) commissioned places in alternative provision. 11% of all bullying incidents involved PP cohort vs 15% of non-PP cohort. Less bullying incidents involving PP cohort than in 17/18.
