

BIOLOGY A LEVEL

BRIDLINGTON
Sixth Form

WHY CHOOSE BIOLOGY @ BRIDLINGTON?

- A fascinating insight into the world around us
- Explore genetics, evolution and ecosystems
- Develop problem solving and analytical skills

Entry criteria: Average of Grade 5 in all your subjects, a Grade 5 in English and Maths and two Grade 6s in Science.

Studying Biology gives you the basis for a greater understanding of molecules, cells and organisms, and how our world has been shaped. Assessment is through written examinations.

“IT’S AMAZING –
YOU GET TO DO
DISSECTIONS –
HEARTS AND FISH
HEADS!”
