

What is the Pupil Premium?

- The Pupil Premium Grant (PPG) is the name of the funding given directly to schools to support students who receive free school meals, who are in public care or young people whose parents are in the armed forces.
- At Bridgton School we refer to these students as the Pupil Premium (PP) Cohort.
- The total PPG includes, pupil premium (£935 per student), service children (£300 per student), catch up premium to support students whose literacy and numeracy skills are below average at the end of Year 6. (£17,412 in 17/18 / £18,682 in 18/19) and any monies received for LAC (Looked after) students (£8,460 / £10,812).

Core aim

Our core aim is to raise the attainment and progress of pupils eligible for pupil premium funding so that their performance compares favorably with Non-Pupil Premium peers nationally.

We aim to address inequalities in the education of pupils from low-income families and raise the attainment of these pupils. This remains a consistent and relentless focus. In addition to this, targeted intervention and support strategies are deployed in order to:

- improve levels of attainment and progress;
- close attainment gaps relative to national averages;
- enhance reading, writing, mathematics and communication skills;
- engage and develop learning through a comprehensive extra-curricular provision;
- subsidising enriching experiences that PP cohort might otherwise miss;
- have a clear focus on all of the PP cohort, including those with SEND and more able pupils and support pupils in becoming aspirational, confident and successful learners

We believe that outstanding teaching and learning is paramount to the progress of pupils from disadvantaged backgrounds. This remains a consistent and relentless focus. In addition to this, targeted intervention and support strategies are deployed in order to:

Analysis of barriers to learning for our premium and catch up-cohorts

- Poor attendance;
- Poor Literacy and numeracy Skills;
- High Fixed Term Exclusions;
- Complex Social Issues – dysfunctional home lives;
- Lack of ability to / understanding of how to support educational progress from parents / carers.
