

PHYSICS A LEVEL

BRIDLINGTON
Sixth Form

WHY CHOOSE PHYSICS @ BRIDLINGTON?

- Gain a foundation for higher level study
 - Learn to express your ideas confidently
 - Varied career paths available
- 

Entry criteria: Average of Grade 5 in all your subjects, a Grade 5 in English, a Grade 6 in Maths and Grade 6s in Science.

Develop a link between theory and experiment, understanding how physics is used in modern society.

$$= \frac{mv^2}{r}$$

$$F = Bqv$$

$$F = \frac{mv^2}{r} = Bqv$$

“I GET TO LEARN
ABOUT EVERYTHING
FROM TINY
PARTICLES IN
ATOMS TO GIANT
GALAXIES AND THE
UNIVERSE”

WHERE CAN PHYSICS TAKE YOU?

The course opens opportunities for degree courses in a range of areas, including Biochemistry to Engineering, Geology and Physiotherapy. You could even train to be a pilot!
