Aims

To articulate the values of mutual respect, tolerance and self-esteem which allow us to develop a sense of community where all pupils are valued.

Legislation and Guidance

This policy is based on DfE guidance "[Preventing and Tackling Bullying](#)" July 2017 and supporting documents. It also considers the DfE statutory guidance "[Keeping Children Safe in Education](#)" 2018 and '[Sexual violence and sexual harassment between children in schools and colleges](#)' guidance. The setting has also read Childnet's "[Cyberbullying: Understand, Prevent and Respond: Guidance for Schools](#)" and Stonewall's "[The School Report: The experiences of lesbian, gay, bi and trans young people in Britain's schools in 2017](#)".

Note: DfE research into anti-bullying practices has been considered when reviewing this policy: www.gov.uk/government/publications/approaches-to-preventing-and-tackling-bullying

There are several pieces of legislation which set out measures and actions for schools in response to bullying, as well as criminal and civil law. These may include (but are not limited to):

- The Education and Inspection Act 2006, 2011
- The Equality Act 2010
- The Children Act 1989
- Protection from Harassment Act 1997
- The Malicious Communications Act 1988
- Public Order Act 1986

Policy objectives

- This policy outlines what Bridlington School will do to prevent and tackle all forms of bullying.
- The policy has been adopted with the involvement of the whole school community.
- Bridlington School is committed to developing an anti-bullying culture where the bullying of adults, children or young people is not tolerated in any form.
- We take all incidences of bullying seriously and it is our duty as a whole school community to take measures to prevent and tackle any bullying, harassment or discrimination. We actively promote values of respect and equality and work to ensure that difference and diversity is celebrated across the whole school community. We want to enable our pupils to become responsible citizens and to prepare them for life in 21st Century Britain. These values reflect those that will be expected of our pupils by society, when they enter

secondary school and beyond in the world of work or further study. We are committed to improving our school's approach to tackling bullying and regularly monitor, review and assess the impact of our preventative measures.

Links with other school policies and practices

This policy links with several school policies, practices and action plans including:

- Behaviour and discipline policy
- Complaints policy
- Child protection policy
- Confidentiality policy
- Online safety and Acceptable Use Policies (AUP) Curriculum policies, such as: PSHE, citizenship and computing
- Mobile phone policy
- Searching, screening and confiscation – DfE advice for headteachers, school staff and governing bodies (January 2018)

Responsibilities

It is the responsibility of:

- The headteacher to communicate this policy to the school community, to ensure that disciplinary measures are applied fairly, consistently and reasonably, and that a member of the senior leadership team has been identified to take overall responsibility.
- Governors to take a lead role in monitoring and reviewing this policy.
- All staff, including: governors, senior leadership, teaching and non-teaching staff, to support, uphold and implement this policy accordingly.
- Parents/carers to support their children and work in partnership with the school and report bullying.
- Students to abide by the policy and report bullying.

Definition of bullying

- Bullying can be defined as "behaviour by an individual or a group, repeated over time that intentionally hurts another individual either physically or emotionally". (DfE "Preventing and Tackling Bullying", July 2017)
- Bullying can include name calling, taunting, mocking, making offensive comments; kicking; hitting; taking belongings; producing offensive graffiti; gossiping; excluding people from groups and spreading hurtful and untruthful rumours.

- This includes the same unacceptable behaviours expressed online, sometimes called online or cyberbullying. This can include: sending offensive, upsetting and inappropriate messages by phone, text, instant messenger, through gaming, websites, social media sites and apps, and sending offensive or degrading photos or videos.
- Bullying is recognised by the school as being a form of peer on peer abuse. It can be emotionally abusive and can cause severe and adverse effects on an individual's emotional development.

Forms and types of bullying covered by this policy

Bullying can happen to anyone.

This policy covers all types and forms of bullying including:

- Bullying related to physical appearance
- Bullying of young carers, children in care or otherwise related to home circumstances

Bullying related to physical/mental health conditions

- Physical bullying
- Emotional bullying
- Sexual bullying – peer on peer abuse
- Bullying via technology, known as online or cyberbullying
- Prejudicial bullying (against people/pupils with protected characteristics):
 - Bullying related to race, religion, faith and belief and for those without faith
 - Bullying related to ethnicity, nationality or culture
 - Bullying related to Special Educational Needs or Disability (SEND)
 - Bullying related to sexual orientation (homophobic/biphobic bullying)
 - Gender based bullying, including transphobic bullying

School ethos

- Bridlington School community recognises that all forms of bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for mental wellbeing.
- We take a behavioural approach, including sanctions when appropriate, to reinforce a culture where peer on peer sexual harassment and online sexual abuse are not tolerated
- Our ambition is to develop resilience within individuals
- By effectively preventing and tackling bullying our school can help to create a safe and disciplined environment, where pupils are able to learn and fulfil their potential.
- Our school is a place where every person has the right to be themselves, to be included and to learn in a safe and happy environment. Everyone at our school is equal and treats each another with respect and kindness.

Our Community:

- Monitors and reviews our anti-bullying policy and practice on a regular basis.
- Supports staff to promote positive relationships to help prevent bullying.
- Invests in restorative practice as a means to stay focused on strengthening and repairing relationships.
- Recognises that some members of our community may be more vulnerable to bullying and its impact than others; this may include children with SEND. Being aware of this will help us to develop effective strategies to prevent bullying from happening and provide appropriate support, if required.
- Will intervene by identifying and tackling bullying behaviour appropriately and promptly.
- Ensures our students and parents are aware that bullying concerns will be dealt with sensitively and effectively.
- Ensures that everyone feels safe to learn and abide by the anti-bullying policy.
- Requires all members of the community to work with the school to uphold the antibullying policy.
- Recognises the potential impact of bullying on the wider family of those affected so will work in partnership with parents/carers regarding all reported bullying concerns and will seek to keep them informed at all stages.
- Will deal promptly with grievances regarding the school response to bullying in line with the complaints policy.
- Seeks to learn from good anti-bullying practice elsewhere.
- Utilises support from the Local Authority and other relevant organisations when appropriate.

Responding to bullying

The following steps may be taken when dealing with all incidents of bullying reported to the school:

- If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached or witnessed the concern.
- The school will provide appropriate support for the person being bullied – making sure they are not at risk of immediate harm and will involve them in any decision making, as appropriate.
- The Pastoral Manager, Assistant Head, Deputy Head, Designated Safeguarding Lead (DSL) or Headteacher will interview all parties involved.
- The DSL will be informed of all bullying issues where there are safeguarding concerns.
- The school will speak with and inform other staff members, where appropriate.
- The school will ensure parents/carers are kept informed about the concern and action taken, as appropriate and in line with child protection and confidentiality policies.
- The parents will ensure the school is informed about any concerns or actions as soon as possible.
- Sanctions, as identified within the school behaviour policy, and support will be implemented in consultation with all parties concerned.

- If necessary, other agencies may be consulted or involved, such as the police, if a criminal offence has been committed, or other local services including early help or children's social care, if a child is felt to be at risk of significant harm.
- Where the bullying of or by pupils takes place off school site or outside of normal school hours (including cyberbullying), the school will assist other agencies to ensure that the concern is fully investigated. If required, the DSL will collaborate with other schools and agencies. Appropriate action will be taken, including providing support and implementing sanctions in school in accordance with this policy and the school's behaviour policy.
- A clear and precise account of bullying incidents will be recorded by the school in accordance with existing procedures. This will include recording appropriate details regarding decisions and action taken.

Cyberbullying

When responding to cyberbullying concerns, the school will:

- Act as soon as an incident has been reported or identified.
- Provide appropriate support for the person who has been cyberbullied and work with the person who has carried out the bullying to ensure that it does not happen again.
- Encourage the person being bullied to keep any evidence (screenshots) of the bullying activity to assist any investigation.
- Take all available steps where possible to identify the person responsible. This may include:
 - looking at use of the school systems;
 - identifying and interviewing possible witnesses;
 - contacting the service provider and the police, if necessary.
 - work with the individuals and online service providers where required to prevent the incident from spreading and assist in removing offensive or upsetting material from circulation. This may include
 - confiscating and searching pupils' electronic devices, such as mobile phones, in accordance with the DFE Searching, screening and confiscation guidance (January 2018).
 - Requesting the deletion of locally-held content and content posted online if they contravene school behavioural policies.
- Ensure that sanctions are applied to the person responsible for the cyberbullying;
- the school will take steps to change the attitude and behaviour of the bully, as well as ensuring access to any additional help that they may need.
- Inform the police if a criminal offence has been committed.
- Provide information to staff and pupils regarding steps they can take to protect themselves online. This may include:
 - advising those targeted not to retaliate or reply;
 - providing advice on blocking or removing people from contact lists;

- helping those involved to think carefully about what private information they may have in the public domain.

Prejudice-based incidents

A prejudice-based incident is a one-off incident of unkind or hurtful behaviour that is motivated by a prejudice or negative attitudes, beliefs or views towards a protected characteristic or minority group. It can be targeted towards an individual or group of people and have a significant impact on those targeted. All prejudice-based incidents are taken seriously and recorded and monitored in school, with the head teacher regularly reporting incidents to the governing body. This not only ensures that all incidents are dealt with accordingly, but also helps to prevent bullying as it enables targeted anti-bullying interventions.

Homophobic bullying

Homophobic bullying falls into two categories:

- Bullying aimed at lesbian, gay, bisexual and transgender young people.
- The misuse of Prejudice related language as a generic insult.

Prejudice Related Language

- Derogatory or offensive language is not acceptable and will not be tolerated. This type of language can take any of the forms of bullying listed in our definition of bullying. It will be challenged by staff and recorded and monitored on via the school's or central recording system and follow up actions and sanctions, if appropriate, will be taken for pupils and staff found using any such language.
- Racist, homophobic, biphobic, transphobic and disabilist language includes terms of abuse used towards people because of their race/ethnicity/nationality; because they are lesbian, gay, bisexual, or transsexual, or are perceived to be, or have a parent/carer or sibling who is; because they have a learning or physical disability. Such language is generally used to refer to something or someone as inferior. This may also be used to taunt young people who are different in some way or their friends, family members or their parents/carers. In the case of homophobic, biphobic and transphobic language particularly, dismissing it as banter is not helpful as even if these terms are not referring to a person's sexual orientation or gender identity they are using the terms to mean inferior, bad, broken or wrong.
- We will challenge the use of prejudice related language in our school even if it appears to be being used without any intent. Persistent use of prejudice related language and/or bullying will be dealt with as with any other form of bullying.

Supporting pupils

Students who have been bullied will be supported by:

- Reassuring the student and providing continuous pastoral support.
- Offering a suitable opportunity to discuss the experience with their pastoral manager, the designated safeguarding lead, or a member of staff of their choice.
- Being advised to keep a record of the bullying as evidence and discuss how respond to concerns and build resilience as appropriate.
- Working towards restoring self-esteem and confidence.
- Providing ongoing support which may include: working and speaking with staff, offering formal counselling, engaging with parents and carers.
- Where necessary, working with the wider community and local/national organisations to provide further or specialist advice and guidance; this could include support through Early Help or Specialist Children's Services or support through the Children and Mental Health Service (CAMHS).

Students who have perpetrated bullying will be helped by:

- Discussing what happened, establishing the concern and the need to change.
- Informing parents/carers to help change the attitude and behaviour of the child.
- Providing appropriate education and support regarding their behaviour or actions.
- If online, requesting that content be removed and reporting accounts/content to service provider.
- Sanctioning, in line with school behaviour/discipline policy; this may include official warnings, detentions, removal of social time, removal of privileges (including online access when encountering cyberbullying concerns), and fixed-term or permanent exclusions.
- Where necessary, working with the wider community and local/national organisations to provide further or specialist advice and guidance; this may include involvement from the Police or referrals to Early Help, Specialist Children's Services or support through the Children and Mental Health Service (CAMHS).

Supporting adults

- Our school takes measures to prevent and tackle bullying among students; however, it is equally important to recognise that bullying of adults, including staff and parents, whether by students, parents or other staff members, is unacceptable.

Adults who have been bullied or affected will be supported by:

- Offering an immediate opportunity to discuss the concern with the designated safeguarding lead, a senior member of staff and/or the headteacher.
- Advising them to keep a record of the bullying as evidence and discuss how to respond to concerns and build resilience, as appropriate.

- Where the bullying takes place off school site or outside of normal school hours (including online), the school will assist other agencies to investigate the concern and ensure that appropriate action is taken in accordance with the schools' behaviour and discipline policy.
- Reporting offensive or upsetting content and/or accounts to the service provider, where the bullying has occurred online.
- Reassuring and offering appropriate support.
- Working with the wider community and local/national organisations to provide further or specialist advice and guidance.

Adults who have perpetrated the bullying will be helped by:

- Discussing what happened with a senior member of staff and/or the headteacher to establish the concern.
- Establishing whether a legitimate grievance or concern has been raised and signposting to the school's official complaints procedures.
- If online, requesting that content be removed.
- Instigating disciplinary, civil or legal action as appropriate or required.

- Recognises the potential for children with SEN and disabilities to be disproportionately impacted by bullying and will implement additional pastoral support as required.

- Implement appropriate disciplinary sanctions; the consequences of bullying will reflect the seriousness of the incident, so that others see that bullying is unacceptable.
- Use a variety of techniques to resolve the issues between those who bully, and those who have been bullied.

Education and Training

The school community will:

- Train all staff, including: teaching staff, support staff (e.g. administration staff, lunchtime support staff and site support staff) and pastoral staff, to identify all forms of bullying and take appropriate action, following the school's policy and procedures, including recording and reporting incidents.
- Consider a range of opportunities and approaches for addressing bullying throughout the curriculum and other activities, such as: through displays, assemblies, peer support, the school/student council, collapsed timetable events etc.
- Collaborate with other local educational settings as appropriate, and during key times of the year, for example during transition.
- Ensure anti-bullying has a high profile throughout the year, reinforced through key opportunities such as anti-bullying week.
- Provide systematic opportunities to develop pupils' social and emotional skills, including building their resilience and self-esteem.

Involvement of students

We will:

- Involve pupils in policy writing and decision making, to ensure that they understand the school's approach and are clear about the part they play in preventing bullying.
- Regularly canvas children and young people's views on the extent and nature of bullying.
- Ensure that all pupils know how to express worries and anxieties about bullying.

- Ensure that all pupils are aware of the range of sanctions which may be applied against those engaging in bullying.
- Involve students in anti-bullying campaigns in schools and embedded messages in the wider school curriculum.
- Utilise student voice in providing pupil led education and support.
- Publicise the details of internal support, as well as external helplines and websites.
