## 1. Aims

This policy statement aims to set out our school’s arrangements for managing the access of education and training providers to students for the purpose of giving them information about their offer.

It sets out:

- Procedures in relation to requests for access
- The grounds for granting and refusing requests for access
- Details of premises or facilities to be provided to a person who is given access

## 2. Statutory requirements

Schools are required to ensure that there is an opportunity for a range of education and training providers to access students in years 8 to 13 for the purposes of informing them about approved technical education, qualifications or apprenticeships.

Schools must also have a policy statement that outlines the circumstances in which education and training providers will be given access to these students.

This policy shows how our school complies with these requirements. We are constantly striving to bring school provision in line with the Gatsby Benchmarks referred to in Refers to Section 42B of the Education Act 1997.

This policy shows how our school complies s with these requirements.

The 8 Gatsby Benchmarks are set out as follows;

<p style="text-align: center;">1</p> <p style="text-align: center;">A STABLE CAREERS PROGRAMME</p>	<p style="text-align: center;">2</p> <p style="text-align: center;">LEARNING FROM CAREER AND LABOUR MARKET INFORMATION</p>	<p style="text-align: center;">3</p> <p style="text-align: center;">ADDRESSING THE NEEDS OF EACH PUPIL</p>	<p style="text-align: center;">4</p> <p style="text-align: center;">LINKING CURRICULUM LEARNING TO CAREERS</p>

### **3. Student entitlement**

All students in years 8 to 13 at Bridlington School are entitled to:

- Find out about technical education qualifications and apprenticeship opportunities, as part of our careers programme which provides information on the full range of education and training options available at each transition point
- Hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships
- Understand how to make applications for the full range of academic and technical courses
- Visit and experience local workplaces and providers.

This is facilitated through effective working relationships with local post-14, post-16 and post-18 providers.

### **4. Management of provider access requests**

#### **4.1 Procedure**

Any and all providers will be assessed for their appropriateness by the SLT strategic lead for careers or the school careers co-ordinator.

Where possible all providers will be met in advance to discuss arrangements, all providers will be sent information about the school expectations, procedures and safeguarding in advance.

Any and all requests for access to students will be considered by the SLT strategic lead for careers or the school careers co-ordinator. Access will be granted on the merits of the provision on offer, not by any agenda the school may have allow fair and equal access to students.
