

PSHE YEAR 7

Units taught:

Autumn Term	Spring Term	Summer Term
Relationships	Physical Health	Dangers of Smoking
Changing Me (Mental Health)	Personal Safety	Changes that prepare me for adulthood

Main skills developed:

PSHE focuses on the everyday skills that are needed to flourish in life outside of school. In year 7 it also looks to support their transition from Primary School. Looking at key questions like, what are healthy relationships? This then moves on to key aspects of everyday life of how they are changing as individuals. This then leads into looking at self-care.

How parents can help to support their child's learning:

Encourage students to attempt all PSHE homework tasks. Discussion of family values is very useful in helping students to understand their own wellbeing. We encourage students from all backgrounds to engage in discussion on values, and further research and family debate on these ideas would be useful in enabling students understanding of who they are and where their values originate

Extra-Curricular opportunities:

We have the 'Tomorrow's Leaders' group that use the motto, "Today's Reader, Tomorrow's Leader", the group looks to develop tomorrow's leaders (our students) to have Equity, Diversity and Inclusion at the heart of their vision. We do this by reading texts that cover a wide range of topics that come under both the PSHE and RS umbrella and empower our students to be able to share well-structured discussions.

SMSC & British Values:

Social, moral, spiritual and cultural values run through everything we do!

We focus mainly on the fundamental British Value of Tolerance and mutual respect in PSHE, ensuring that all voices and opinions are heard in a safe and nurturing environment
