

# Maths Week

13<sup>th</sup> November – 17<sup>th</sup> November 2023

They hand on the

**T**

**Teamwork**

- trusting each other and working together

**O**

**Opportunity**

- excitement and hope for a brighter future

**R**

**Respect**

- for ourselves, others and our environment

**C**

**Community**

- forging strong cultural connections

**H**

**Happiness**

- honest about our health and wellbeing

of life

# What is Maths Week?

*Maths Week England aims to:*

- **1. Raise the profile of mathematics throughout England**
- **2. Change the conversation about maths in the population at large to be more positive**
- **3. Enable children and adults from all social and economic backgrounds to access and enjoy interesting mathematical experiences**
- **4. Support teachers to plan special low-cost high-impact maths activities at their own schools during Maths Week**
- **5. Encourage Higher-Education centres to invite schoolchildren to visit for maths events, in order to raise aspirations and encourage a higher take-up of the study of maths at A-level and university**
- **6. Make maths accessible and enjoyable for people who thought it was an elitist subject for 'clever' people: to 'love and enjoy' is a worthy goal!**

**H**

**Happiness**

- honest about our health and wellbeing

of life

# What do I need to do?

- Some teachers will be wearing number badges. Find a teacher for each row in the table. You can only use each teacher once, so think carefully about where you add them
- Fill in the form
- You have all week!
- At the end of the week hand it in to either your Tutor or Maths teacher or the Maths office with a chance to win a special prize

MWE | MATHS WEEK ENGLAND  
14.11.22 - 19.11.22

## Teacher Treasure Hunt

Name:

Form:

Some teachers will be wearing number badges. Find a teacher for each row in the table. You can only use each teacher once, so think carefully about where you add them

Property	Number	Teacher
Even number		
Odd number		
Multiple of 10		
Single digit number		
Multiple of 3		
Factor of 48		
Square number		
Prime number		
Cube number

- trusting each other and working together

O

Opportunity

- excitement and hope for a brighter future

R

Respect

- for ourselves, others and our environment

C

Community

- forging strong cultural connections

H

Happiness

- honest about our health and wellbeing

of life

# What else is happening during Maths Week?

- There will be puzzle posters dotted around school for you to complete
- Complete these correctly (some take time and you may need paper) and you will be in with a chance of winning a special prize
- Watch out for the red logo!
