

The Torch

Our weekly roundup, shining a light on life in Bridlington School

Round Up and Super Successes:

Options Evening

Thursday saw our year 9 Options Evening take place in school. This included presentations on the options process from Mr Tiernan and Mr Butler and careers from Mr Pick, as well as a chance to meet the staff and talk about the KS4 qualifications on offer. It was great to see year 9s and their parents putting some serious thought and research into this really important process. This will be followed up with videos in tutor time and discussions in lessons before the links to the options forms are sent out. These forms need to be completed before the 10th February when we break up for half term.

Sixth Form Student Voice

We had an external consultant come in to audit and celebrate the success of our sixth form provision on Thursday. This included lots of visits to lessons and talks with the students. The students were a credit to themselves and the school. They were able to talk eloquently about their experiences, how much they enjoyed their time in the sixth and what we need to do to improve. We have already started work on implementing their suggestions.

Personal Development

On Friday 27th January, 6th form students from the ADT department travelled to visit a range of venues to assist them in the completion of their coursework. Venues visited included: the Victoria and Albert Museum, the Natural History Museum and the Tate Modern. A huge thank you to Mrs Girking for organising this trip!

Year 11 Exam Stress

This week's Year 11 assembly was delivered by Hayley Baker from CU Scarborough and focused on supportive strategies to help students to look after their mental health and cope with exam stress.

Sporting Celebrations

Our Year 7 footballers have a week of victories! The Year 7 'A' team progressed to the quarter finals of the FA Schools Cup after a thrilling game. The game ended 2-2 with goals from Harry Gladstone and Toby Tibbett. The match eventually went to penalties with the Josh Mosby making a great save before Ben Walker hit the winning penalty. The Year 8 'B' team were managed by the 6th form duo of Oliver Booth and Callum Bailey and the managers got off to a winning start. The boys showed great character and fight eventually coming out 4-2 winners.
