

### The Torch

#### Our weekly roundup, shining a light on life in Bridlington School

#### Round Up and Super Successes:

On Wednesday, the sixth form have the NHS Emotional Wellbeing Service. This is part of their ongoing personal development programme.

Julie's challenges continue in the sixth form. This week's involved making a tall tower from spaghetti and marshmallows. These challenges, along with the half termly social activities are intended to develop the students' social skills and team work and build a sense of community.

Tuesday 28<sup>th</sup> February is National School Governors' Awareness Day 2023. We are really proud of our highly committed team of governors who give their time so generously to challenge and support our senior leaders, middle leaders, staff and students and drive school improvement.

All tutors have been given a reading book this week to read to their tutor group. We have chosen a range of exciting texts. We are excited to see what students think and hope that they enjoy being read to.

Next week is World Book Day and we have lots of activities planned to celebrate reading. Our brand new school library will officially open on Thursday 2<sup>nd</sup> March and we look forward to seeing our students using it. Book tokens are available as a QR code this year, so we will allow students to use their mobile phone once in PD next Thursday to get these. We will also have some printed copies to make it easier. There will be competitions launching on Monday in the run up to World Book Day and we will update you next week on all the activities that have taken place!

#### Students of the week

Our students for the week are:

Maths	Harvey Wheeldon-Samanjoul
Science	Alisha Hooper
Geography	Charlie Morrison
History	Harry Bishop
MFL	Jazmyne Richardson
