

### The Torch

#### Our weekly roundup, shining a light on life in Bridlington School

#### Round Up and Super Successes:

On Thursday we opened our brand new library! Students were really excited to check books out and use the quiet space to read in.

We also celebrated World book Day in style! Students had lots of activities and challenges to complete – including designing the new National Book token design and the masked reader quiz. The students' favourite was the character treasure hunt, with staff dressing up as a range of characters and students having to hunt them out. From Gandalf to Tweedle Dum, from Dobby to Scrooge - all teachers, pastoral managers, dinner ladies and teaching assistants looked fantastic! Check out our pictures on social media to see the costumes in all their glory!

Our Year 10 Food students visited McDonalds this week to find out how a global fast-food business operates and explore potential career pathways. This marked the beginning of an exciting business link partnership with the ADT department. Staff at McDonalds commented on the impeccable behaviour and outstanding attitude of our students. Thank you to Mrs Mottram and Miss Porter for organising this valuable experience for our students.

Mrs Green took a group of cadets from the school's RAF section of the CCF to RAF Topcliffe for a gliding experience. All cadets took two flights in a Viking T1 glider with an RAF Flight Instructor. For most of the cadets it was their first experience in a glider. After their flights, the cadets had a presentation on the science of how gliders work and then were instructed on the flight simulators. A brilliant experience for our cadets, who did the school and the CCF proud. Thank you to Mrs Green for organising this memorable experience.
