

## The Torch

### Our weekly roundup, shining a light on life in Bridlington School

#### Round Up and Super Successes:

On Thursday 18<sup>th</sup> May a group of our Year 9 students had a great day at the University of York as part of our ongoing Shine partnership. They had a campus tour and sessions including accommodation choices, student finance and roads to success.

On Thursday 25<sup>th</sup> May a group of our Year 7 History students had an exciting day out at the Royal Armouries Museum, Leeds.

A huge well done to our Year 7 and 8 Rounders' teams who recently won their matches against Hornsea School. They showed great batting and fielding skills, and excellent team play.

During the final half term of the year we will be making adjustments to our school behaviour policy as part of our drive to improve the behaviour and expectations of our students. This is in preparation for the changes in policy we plan to adopt for September 2023.

A huge well done to our Year 11 and Year 13 students who have had a brilliant start to their exams. They have been revising really hard. A huge thank you to parents and carers who have supported them by making sure they are here and ready. It is now time for them to have a rest and we will go again on Monday 5<sup>th</sup> June.

**We hope you all have a lovely half term break.**
