13th June 2023

Dear Parent/Carer,

Following our Ofsted inspection on 19th and 20th April 2023 I am delighted to attach the published Ofsted report and share our grading: **GOOD** in all areas.

This very positive report is testament to the hard work and dedication of our staff and students which would not be achievable without your continued support as parents and carers.

We are thrilled that the inspection team recognised our ambitious curriculum that, both in lesson time and in extra-curricular activities allows our students to fulfil their potential in an environment where they feel safe and valued.

In line with our school improvement plan our areas for further development continue to be to:

- work in partnership with you to improve student attendance;
- support more students to join us in our fantastic 6th form;
- continue with our work to ensure students leave us as well rounded citizens.

Thank you again for your ongoing support of the school. We look forward to further developing our partnership with you as parents / carers to ensure we continue to strive for excellence and achieve the best possible outcomes for your children.

Yours sincerely,

Mrs K Parker-Randall
Headteacher
