

The Torch

Our weekly roundup, shining a light on life in Bridlington School

Round Up and Super Successes:

We have had a really positive start to the academic year. The new sixth formers have settled in well into the revamped Sixth Form Centre and like the rest of the school are talking really positively about the new Careers Hub.

The new construction course in year 10 and games design course in year 12 have got off to a great start with students learning industry specific skills.

Students in year 8 to 13 had talks from local colleges around future destinations and next steps.

Students of the week are:

English	Amber S (Y11)
Maths	Oliver C (Y10)
