

The Torch

Our weekly roundup, shining a light on life in Bridlington School

Round Up and Super Successes:

On Saturday we had our first ever open morning. This very popular open event showcased our facilities to the upcoming year 5 and 6 students who were unable to make it on the Thursday evening with some returning a second time to finish their treasure hunt!

Students from maths along with students from our feeder primary schools took part in the Happy Puzzle on Monday and Tuesday.

On Thursday we held a very popular sixth form open event showcasing our sixth form offer.

All year 9 and 11 students were given a Shape Your Future booklet outlining the local labour market information (LMI) and the opportunities in the region. The Skills Hull and East Yorkshire [website](#) is a great place to look for further information.
