

## The Torch

### Our weekly roundup, shining a light on life in Bridlington School

#### Round Up and Super Successes:

Assemblies this week have been varied with Year 7 having a traditional harvest festival, year 10 having their end of half term rewards assembly as we are not in school next Friday and other year groups having 'keeping safe in the community'.

Wednesday saw year 13 students joining Headlands and East Riding College students for the Bridlington Medical, Health and Social Care Academy where they took part in mock interviews with a range of healthcare professionals.

This Friday we had a special Tea and Cake as a thank you for the 118 students who helped at the recent year 6 and sixth form open events on Thursday evenings and a Saturday morning. Some helped in departments, some showed visitors around and some featured in our promotional videos.
