

## The Torch

### Our weekly roundup, shining a light on life in Bridlington School

#### Round Up and Super Successes:

Over the weekend, cadets from the CCF represented the school at the remembrance activities in the town.

On Monday, a group of our Year 11 and 12 students attended the East Riding Hope Hack event at Bridlington Spa which was organised by the Humber Violence Prevention Partnership (VPP). The event provided an opportunity for the young people of Bridlington and the surrounding East Riding to inform leading policy makers on key issues that will help them to make their community feel fairer and safer. All students in attendance were a credit to Bridlington School.

Former student Jason Stokes of JSE Property Maintenance came in to work with our year 10 construction classes on developing their skills.

On Friday, a group of year 10, 11, 12 and 13 students had a great time visiting Knit & Stitch in Harrogate to gather ideas for their textiles portfolios.
