

The Torch

Our weekly roundup, shining a light on life in Bridlington School

Round Up and Super Successes for the first week of 2024:

We've had a really positive start to the term after the well-earned Christmas break.

A group of Year 8 and 9 students took part in the East Riding Panathlon inclusion event on Thursday. They had a really fun morning, taking part in a range of multi-skill activities. The team worked very well together and came away with a Bronze Medal. Well done to all of them!

Thursday evening saw the year 9 Parents' Consultation Evening. There were many positive conversations about students' efforts in lessons as well as the upcoming Pathways Evening on 25th January.

Colleagues from the recruitment team at CU Scarborough were once again present at the parents' and carers' evening to give out information and advice around Lifelong Learning Entitlement and the opportunities open to parents looking to continue their own learning journey.

Well done to all students for your outstanding efforts this week!
