

The Torch

Our weekly roundup, shining a light on life in Bridlington School

From Sunday to Thursday, a group of year 12 students completed their Gold Qualifying Expedition in Coniston in the Lake District. They had prepared for this adventure with their practice expedition in in the Yorkshire Dales, back in April which included walking Ingleborough, one of the Yorkshire 3 Peaks. Bronze Award students, who have been working hard on completing the different sections of their award will be undertaking their Expedition in September.

On Monday, 38 students from years 7 to 10 travelled to Costello Stadium in Hull to take part in the regional athletics competition. Please see overleaf a full round-up of our achievements.

On Tuesday a group of year 10 and year 12 students toured the brand new Emergency Department and Critical Care Units at Scarborough Hospital. This brand new department will open to patients at the start of September and once patients are in the building, these areas will be out of bounds for school tours so this really was a once in a lifetime opportunity. We also had 38 year 11 students visit the sixth form centre for a day of subject tasters and enrichment activities to help to prepare them for year 12.

On Wednesday we had our annual sports day. This involved the usual athletics competition as well as alternative events including rock climbing, volleyball and a bouncy castle.

On Thursday we had the usual last day of term festivities with a non-uniform day. We finished for the summer break at lunchtime. Year 7, 11 and the sixth form return on Tuesday 3rd September with the rest of the school joining them on Wednesday 4th September. Please enjoy the long summer break.

Students of the week are:

English	Bobbi May P (Y10)
Maths	Lily B (Y12)
Science	Lliya S (Y9)
Geography	Adam S(Y9)
History	Seb T (Y9)
MFL	Theo D (Y9)
RS	Melanie H (Y8)
Life skills	Thomas F (Y8)
Performing Arts	K F (Y12)
PE Girls	Jubilee E (Y7)
PE Boys	Toby T (Y8)
Creative Digital	Liam R (Y12)

Well done to all students for your outstanding efforts this week!
