

The Torch

Our weekly roundup, shining a light on life in Bridlington School

Round Up and Super Successes:

Following last week's sixth form open event, year 11s have been thinking about their next steps and logging on to Log On Move On to apply.

On Wednesday representatives from the Early Years Inclusion Project delivered an early years careers workshop with twenty year 9 and 10 students looking at career pathways, career roles, higher education, work experience and progression within the sector. This was followed up with a drop-in session in the Career Hub at lunchtime for all students.

Wednesday evening saw year 7s in school with their parents for the Meet the Tutor. They had a talk in the hall from pastoral staff and then went on to see their tutor rooms and spend some time with their tutors.

The wind and rain caused some inconvenience and excitement on Friday with lots of students late for school due to congestion and workmen on site as one of the mature trees at the front of the school blew down and damaged a stretch of the fence.
