

The Torch

Our weekly roundup, shining a light on life in Bridlington School

Round Up and Super Successes:

On Wednesday representatives from Bishop Burton College and HETA talked to students in years 8 to 13 about post-16 and post-18 destinations. Years 8 to 11 learnt about the different options for post-16 including A-levels, T-levels and vocational qualifications and apprenticeships and the sixth form found out about the university sector college at Bishop Burton and post-18 apprenticeship options at HETA.

Also on Wednesday, year 12 students had their introduction to the Bridlington Medical and Health and Social Care Academy; this is a joint venture with Headlands School, East Riding College, Hull University and the NHS looking at promoting healthcare careers in the local area.

On Thursday evening and Saturday morning we welcomed lots of year 5 and year 6 students who were looking to join us in year 7. They were treated to hands-on practical work in science and ADT, samples of school lunch in the canteen and a chance to meet our students and staff.

Students of the week are:

English	Kyra L (Y9)
Maths	Jacob G (Y8)
Science	Rylee R (Y9)
Geography	Ailish O-E (Y8)
History	Chloe H (Y10)
Languages	Daniel S (Y10)
RS	Poppy Ann A (Y7)
Life skills	Bobbi May P (Y11)
