

# The Torch

## Our weekly roundup, shining a light on life in Bridlington School Round Up and Super Successes:

The theme for assemblies this week was Black History Month.

On Tuesday, our year 8 IntoUniversity group had their first session of the year focussing on memory, study skills and revision techniques.

On Wednesday, 24 girls from years 9 to 13 visited the Women in Manufacturing and Engineering (WiME) careers event at the Guildhall in Hull. All of the girls showed great maturity and confidence in engaging in professional discussions with a range of employers and collected lots of corporate merchandise!

On Friday night, our bronze Duke of Edinburgh group had their practice expedition, walking with their kit around Boynton and Carnaby.

We are seeking to reduce our Pupil Admission Number to 180 for Year 7 who will start at Bridlington School in September 2026 because pupil projection information demonstrates a clear decline in pupil numbers linked to a decline in the local birth rate. The consultation summary can be seen in the news section of our school website <https://www.bridlingtonschool.co.uk/news/pan-consultation-09-10-24-to-27-10-24/>. The main ERYC page [School admission arrangements for 2026-27 \(eastriding.gov.uk\)](https://www.eastriding.gov.uk/school-admission-arrangements-for-2026-27) includes all of the detail. The consultation is opened on Wednesday 9<sup>th</sup> October and runs until Wednesday 27<sup>th</sup> October. If you wish to respond to this consultation please complete the survey is available here - <https://consultation.eastriding.gov.uk/s/SchoolAdmissionsConsultation2026-27/>.
