

The Torch

Our weekly roundup, shining a light on life in Bridlington School

Round Up and Super Successes:

Over half term, a group of Year 9 and Year 10 students visited Boulogne in Northern France where they had they great fun getting to know the area and practising their French. They stayed in a beautiful French Chateau and enjoyed trips to the local town and market, a tour of Nausicaa aquarium, the chance to explore the underground city of Naours as well as completing a tree top adventure course..

This week is Green Careers Week. Careers Club promoted Green Careers Week on Tuesday lunchtime and tutor time Career of the week was all about Green careers and what they are.

On Monday, Year 12 English students visited Scarborough to learn more about famed war poet, Wilfred Owen. Students took part in an audio walking tour of Owen's Scarborough and were lucky enough to witness the unveiling of the blue plaque commemorating Owen's time in Scarborough. Students were also able to visit the very room in which Owen wrote many of his most well-known war poems, and spoke with several experts about Owen's time in Scarborough.

On Wednesday Year 12 students who are members of the Bridlington Medical and Health and Social Care Academy took part in a session on drugs including how they work, how they're formed, how they're researched and took part in a mock drug trial which illustrated how placebos work and how many tests are needed before a drug can be brought to the market.

Hope, Paul, Aimee, Isabella, Bayen, Satsuki, Jackson, Toby, Sylvia and Zachary in year 9 were successful in being selected to be our next University of York Shine cohort.
