1. Aims

Bridlington school aims to be an orderly, safe place for all members of our community where relationships between staff and visitors, especially parents, demonstrate a mutual respect and a shared responsibility for students' welfare, progress and education.

2. Legislation and Guidance

This policy is based on the "legal toolkit" from the Department for Education and Skills (DfES), a predecessor of the DfE. The guidance [A legal toolkit for schools: tackling abuse, threats and violence towards members of the school community, Institute of Education](#) advises schools about dealing with abusive visitors. In addition, the DfE guidance published in 2018, [Controlling access to school premises - GOV.UK](#), remains the most recent version.

Current Statutory Guidance:

- [Keeping Children Safe in Education](#) (DfE, 2024)
- [Understanding and dealing with issues relating to parental responsibility - GOV.UK](#) (DfE, 2023)
- [Use of Reasonable Force and Other Restrictive Interventions in Schools](#) (DfE, 2025)

3. Statement of Principles

At Bridlington School, we value the positive relationships forged with parents and visitors to the school. We encourage close links with parents and the community and believe that students benefit when the relationship between home and school is a positive one. We also strive to make our school a place where as adults we model for students the behaviour we teach and expect. In general, we place a high importance on good manners, positive communication and mutual respect.

Almost all parents, carers and visitors to Bridlington School are keen to work with us and are supportive of the school. However, on very rare occasions the behaviour of a small number of parents / carers falls short of what we expect. This sometimes manifests itself in aggression or abuse towards members of the school community. This can be in written communication (including social media), on the telephone, or in face-to-face incidents.

In these situations, we expect members of staff to behave professionally, attempting to defuse the situation where possible and seeking the involvement as appropriate of other colleagues. Staff who face these situations have licence to end any conversation (face to face or on the telephone). They should then refer the incident to a senior manager who will take appropriate action according to this policy.

The overriding principle is, however, that all members of the school community have the right to work or be in school without fear of aggression or abuse from parents. The board of governors has a requirement to protect staff and students from such aggression.

The progress and well-being of the parent's child(ren) will be fully considered. Actions taken against the parent will be reasonable and proportionate. The parent will have the opportunity to put their views forward at every stage. Robust review processes involving the Chair of Governors and then the governing body are in place to ensure fairness should a ban be imposed.

4. Definition of unacceptable behaviour

We consider that aggressive, abusive or insulting behaviour or language from a parent presents a risk to staff or students. Unacceptable behaviour is such that makes a member of staff or student feel threatened. This can be through face-to-face contact, on the telephone or in written communication (including social media). The following is not an exhaustive list but seeks to provide illustrations of such behaviour:

- any kind of insult as an attempt to demean, embarrass or undermine
- any kind of threat
- raising of voice so as to be intimidating
- physical intimidation, e.g. by standing very close to him/her
- any kind of physical abuse
- the use of rude or aggressive hand gestures
- use of foul or abusive language
- shouting either in person or over the telephone
- swearing either in person, over the telephone or by email
- constant emails and or telephone calls which amount to harassment and intimidation, despite the school's best efforts to address a situation
- inappropriate electronic activity including publishing abusive or inappropriate content with regard to the school, teachers or students on social networking sites such as Facebook and Twitter or in email communication
- online harassment
- defamation or threats via social media
- recording or sharing staff interactions without consent
- allegations which turn out to be false or malicious.

5. The school's approach to dealing with incidents

If a parent/carer/visitor behaves in an unacceptable way towards a member of the school community, the Headteacher or appropriate senior staff will assess the level of risk before deciding on a future course of action. The course of action will be reasonable and commensurate with the assessed level of risk.

Staff safeguarding and well-being duty of care

The school has a legal duty to safeguard both staff and students under Keeping Children Safe in Education legislation. The school has a duty to protect staff from harassment, intimidation, and psychological harm which could be caused by abusive communication.

Risk Assessment

The Headteacher or nominated senior staff member will carry out a risk assessment in order to help make a decision about the level of response. In all cases the response will be reasonable and proportionate. The following questions will be considered:

- What form did the abuse take?
- What evidence is there?
- What do witnesses say happened?
- Are there previous incidents to take into consideration?
- Do members of staff/students feel intimidated by the parent's behaviour?
- Is there any evidence of provocation?
- How high is the assessed risk that this will be repeated or there will be retaliation at the school's action? (low, medium, high)

Recording of Incidents

Staff/students subject to abuse and witnesses will make written statements about incident(s) which will be kept in a file with subsequent letters. This file will be kept by the Headteacher's PA. Depending on an assessment of the risk of retaliation to witnesses these may be made available to the parent if they request it. Names of the person(s) providing the statement may be withheld.

The School's response

Following the completion of the risk assessment, the Headteacher will decide the level of action to be taken. Actions will include the following:

5.1 Clarify to the parent what is considered acceptable behaviour by the school

In some instances it may be appropriate simply to ensure the parent is clear about behaviour standards expected by the school. This could be explained by a letter from the Headteacher. This letter may contain a warning about further action if there are further incidents. The parent will be invited to write to the Headteacher with his/her version of events within 10 working days. Depending on the parent's response a meeting may then be held to discuss the situation and how this can be avoided in future.

5.2 Invite the parent to an informal meeting to discuss events

This could be helpful to discuss and diffuse the situation. The safety and well-being of those attending such meetings must be carefully considered. Members of school staff will always be accompanied by at least one other senior colleague at any such meeting.

Consideration should be given to the seating arrangements, and care taken to ensure exits cannot be blocked by a parent who could potentially become aggressive.

The main points of discussion and any agreed actions should be noted, and a follow-up letter or e-mail sent to confirm the school's expectations and any agreed actions.

5.3 Impose conditions on the parent's contact with the school and its staff

Although fulfilling a public function, schools are private places. The public has no automatic right of entry. Parents of enrolled students have an 'implied license' to come onto school premises at certain stated times. It is for schools to define and set out the extent of such access. Parents exceeding this would be trespassing.

Depending on the type, level or frequency of the unacceptable behaviour, the school may consider imposing conditions on the parent's contact with the school. These conditions may include (but are not exclusively):

- being accompanied to any meeting with a member of school staff by a member of SLT
- restricting contact by telephone to named members of the senior leadership team
- restricting written communications to named members of the senior leadership team
- restricting attendance at school events to those where the parent will be accompanied by a member of the senior leadership of the school
- any other restriction as deemed reasonable and proportionate by the Headteacher.

In this case the parent will be informed by letter from the Headteacher, the details of the conditions that are being imposed. The parent would then be given 10 working days from the date of that letter to make representations in writing about the conditions to the Chair of Governors. The Chair of Governors would then decide whether to confirm or remove the conditions. This would be communicated to the parent in writing within 10 working days of the date of the parent's letter.

If the decision is to confirm the conditions imposed, this decision will be reviewed by the governing body after approximately six months (and every six months after that, if appropriate). The parent will be invited to make written representation to the governors. This and the evidence from the Headteacher will be considered at a meeting of the full governing body. Governors may decide to maintain, extend or remove the conditions. The decision of the review will be communicated to the parent by the clerk to the governors within 10 days of the date of the meeting.

When deciding whether it will be necessary to maintain, extend or remove the conditions, governors will give consideration to the extent of the parent's compliance with the conditions, any appropriate expressions of regret and assurance of future good conduct received from him/her and any evidence of the parent's co-operation with the school in other respects.

5.4 Imposing a ban

Bans are a last resort, and must be proportionate, time-limited, and subject to review.

Where other procedures have been exhausted and aggression or intimidation continues or where there is an extreme act of violence then the school may consider banning the individual from school premises. This will include banning a parent from accessing school staff by written communication or telephone.

In these circumstances, the individual would be advised in writing by the Headteacher that a provisional ban is being imposed. The parent would then be given 10 working days from the date of that letter to make representations about the ban in writing to the Chair of Governors. The Chair of Governors would then decide whether to confirm or remove the ban. This will be communicated to the parent in writing within 10 working days of the receipt of their letter.

If the Chair's decision is to confirm the ban, parents in these circumstances will be offered an annual meeting about their child's progress, usually with a member of senior staff. A decision to impose a ban will be reviewed by the governing body after approximately six months (and every six months after that, if appropriate). The parent will be invited to make written representation to the governors; this and the evidence from the Headteacher will be considered at a meeting of the full governing body. Governors may decide to remove the ban, extend the ban or impose conditions on the parent's access to the school. The decision of the review will be communicated to the parent by the clerk to the governors within 10 days of the date of the meeting.

In deciding whether to remove or extend the ban or impose conditions, governors will give consideration to the extent of the parent's compliance with the ban, any appropriate expressions of regret and assurance of future good conduct received from him/her and any evidence of the parent's co-operation with the school in other respects.

5.5 Removal from school

Section 547 of the Education Act 1996, allows removal of individuals causing a disturbance. Parents who have been banned from the school premises and continue to cause a nuisance will be deemed to have committed a section 547 offence. They will be considered trespassers. In these circumstances the offender may be removed from school. This may be carried out by a police officer or person authorised by the governing body. Legal proceedings may be brought against the parent.

5.6 Complaints policy

Any parental complaint that arises from incidents of abusive behaviour will be dealt with under the complaints policy.

Dear

I have received a report about your conduct at the school on (enter date and time or details). This appears to fall far short of what we would expect of a parent of a student at Bridlington School.

(Add a factual summary of the incident and of its effect on staff, students, and other parents.)

I must inform you that the governing body will not tolerate aggression towards members of the school community and will act to protect its staff and students from any form of abuse or intimidation. I should warn you that any future conduct of this nature could result in the school imposing conditions restricting your access to the school or banning you from contacting or attending the school altogether.

I wish to give you an opportunity to give me in writing any comments or observations of your own in relation to the report which I have received about your conduct. Please do so within 10 working days of the date of this letter. These comments may include any assurances you are prepared to give about your future good conduct. There is then an option for us to meet to discuss the situation and how it can be avoided in the future.
